EDUCATION

Jnana Chaitra English Medium High School Gundinahole   Kudligi
Degree in 10th
Percentage: 90.88 %%

BKG PU College Sandur   Sandur
PCMC 12th
Percentage: 81%

Gitam University   Doddaballapura
ComputerScience and Engenerring B.Tech
CGPA: 8.67

EXPERIENCE

IEEE Internship

Contributed to the development of a student stress recognition application during an internship offered by IEEE. I was primarily responsible for designing and managing the backend database using MongoDB, ensuring efficient data storage and retrieval. Collaborated with a team to implement features for identifying student stress levels, contributing to improving student well-being through technology.

IEEE Women in Engineering Vice Chairperson

Served as the Vice Chairperson of IEEE Women in Engineering (WIE) after being an active member for 2 years. In this leadership role, I organized and led multiple technical and outreach events aimed at promoting IEEE WIE initiatives, empowering women in technology, and enhancing member engagement within the community.

SKILLS

Programming Languages:	c, C++, Java, Python
Libraries/Frameworks:	JavaScript
Tools / Platforms:	Git, VS Code
Databases:	SQL, MongoDB

PROJECTS / OPEN-SOURCE

Natural Cosmetics Website

Developed a Natural Cosmetics Website for selling eco-friendly beauty products made by our company. The website includes features like product categorization, personalized user profiles, and a secure purchasing system. Users can view detailed product descriptions, ingredient lists, and leave reviews. A subscription model offers exclusive benefits for members.
Additionally, the platform includes real-time inventory tracking, order history management, and integrated payment gateways for smooth transactions. Emphasis was placed on responsive design to ensure seamless user experience across all devices.

Courtcase Management

Developed a web-based Court Case Management System with separate login portals for clients and lawyers. The platform allows clients to easily book appointments with lawyers online. Lawyers can manage and respond to appointments through their dashboard. Built using HTML, CSS, JavaScript, and MySQL for a fully functional and responsive system.

CERTIFICATIONS

- C for Everyone: Programming Fundamentals - **Coursera**
- Python Essential - Cisco Academy.
- Java Full Stack - EduSkills.

- Paloalto Cybersecurity (Virtual Internship) - EduSkills.
- AWS Academy Cloud Foundations - **aws academy**
- AWS Academy AIML - aws academy.

Honors & Awards

- Codethon Certificate of Participation.
- Smart India hackathon certificate of participation.
- Vice Chair in IEEE WIE
- IEEE Xtreme hackathon certificate of participation(Globalrank-1470)
